

# UNIVERSITY OF EDUCATION, LAHORE

## VACANCIES

Applications are invited from the Pakistani National for the following posts

The University of Education, Lahore established in 2002 through an Ordinance issued by the Governor of Punjab, was created out of several leading teacher training institutions working all across Punjab. The objective of this act is to promote and strengthen teacher education in the province. Therefore, by the virtue of its creation, the university has an obligation to work for the advancement of the study and practice of education including excellence in the allied knowledge areas and to develop comprehension of the interactions between them. Moreover, we put strong emphasis on creating a culture where the future educationists learn and practice what they are supposed to demonstrate in terms of values & virtues as well as the abilities & attitudes. Currently we are in search of Professors, to be employed in BS-21 and/or on TTS (as per HEC criteria), in the disciplines listed below, to take up responsibilities at various campuses of the university (see [www.ue.edu.pk](http://www.ue.edu.pk) for details on locations etc.). The ideal candidates for the following positions are those who possess demonstrated academic excellence in their respective knowledge areas supplemented with:

1. A broad and critical understanding of the overall teaching/learning conditions surrounding their respective subjects at the schools, colleges and/or universities in the country (particularly in Punjab) and possible strategies to improve these conditions.
2. Demonstrated knowledge and good comprehension of the contemporary theories, methods, technologies and mediums appropriate to support the teaching/learning practice in their respective knowledge areas.
3. Have interest and motivation to actively participate in and contribute to the matters like educational policy, curriculum design & development, teaching/learning materials development, education delivery mechanisms and development of efficient educational organizations etc.
4. Have interest and motivation to work towards developing collaborative linkages with and provide support to local, provincial, national and international agencies mandated with the provision, regulation and/or promotion of education and related services.
