Work Experience

Working as lecturer in Education in University of Education since 2006. I taught different subjects like school curriculum, educational planning and financing, research methods in education, school management, and educational law. I am working as coordinator of Education Department. Also working as Hostel warden in UE Jbd campus. QEC convener for MA Education program's accreditation.

Volunteering and co-curricular

- Working as member of QEC (quality enhancement cell) of university notified by Vice Chancellor.
- Course coordinator trying to help out students as much as I can.
- Leading Event Management society of UE, Jbd Campus. .
- Worked many times as a representative of the university and providing course related information to prospective students during teaching practice.
- Serving as hostel warden
