Research Interests

Thirty M.Ed. students have completed their dissertations. Currently I am teaching Educational Management, Measurement and Assessment, Statistical Applications in Education, Educational Psychology, and Educational Research to M.Ed. classes.

Teaching Skills

- Postgraduate Demonstrator. Regular supervision Teaching practice for undergraduate students and had supervised the graduate and post graduate students in research projects.

- Have led several seminars and lectures for undergraduates in the department of Education.

Time Management

- It was important to submit my MPhil Dissertation within 2 years and this I did successfully. I am the only first fortunate among my 25 fellows to earn my Degree. I also met without fail, the many deadlines in my teaching and supervisory duties. I have extensive experience of juggling different tasks like synopsis making and theses proof reading.

Computer Skills

- Applications: Microsoft Office Suite, Internet Explorer, Microsoft Excel, Microsoft PowerPoint, SPSS and several e-mail packages.
- Operating Systems: Windows Vista, Windows XP, Windows 8

Other Skills

- Knowledge of research methodologies
- Statistical software: extensive experience with SPSS.
- Data collection, entry and analysis
- Writing and presenting reports
- Full command on APA Style (Thesis Writing Guidelines)
- I have a reasonable understanding in effective Communication Skills.

Interests

- I enjoy poetry, recitation and translation of Holy Quran
- To inculcate moral and ethical values in students
- To arrange educational conferences and seminars
- To manage educational trips
- To raise funds for charity purposes
- I also enjoy current affairs and traveling
- To organize national level Debates competitions
